ALOE SOFT is our richest, most luxurious hand cleaner. A unique blend of all natural ingredients quickly and gently removes dirt. Its rich, creamy lather penetrates deep into skin to lift away ground-in grime. ALOE SOFT contains natural conditioners, including extracts of the Aloe Vera plant to soothe dry, cracked skin and begin the healing process. Specially incorporated skin moisturizers replace natural oils to leave skin feeling soft and supple.

DIRECTIONS

Wet hands or skin first and apply a suitable amount of ALOE SOFT. Work into a creamy lather and rinse well with water. If hands are extremely oily or greasy, a second application may be necessary to insure the protection and effectiveness of the Aloe Vera.

CAUTION

May irritate eyes. Avoid contact with eyes.

FIRST AID

IF IN EYES - Flush with plenty of cool water for at least 15 minutes. If irritation persists, obtain medical assistance.

IF SWALLOWED: Give person several glasses of water and induce vomiting. Obtain medical assistance.
