# NON-ACID LIME AND SCALE REMOVER

**PO BOX 245013  
MILWAUKEE, WI 53224  
800.776.7192  
www.sharecorp.com**

## WARNING:

Causes serious eye irritation. Suspected of causing cancer.

## PREVENTION:

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wash thoroughly after handling. Wear eye protection, protective clothing, protective gloves.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

**If eye irritation persists:** Get medical advice/attention.

**If exposed or concerned:** Get medical advice/attention.

Store locked up.

Dispose of contents/container to comply with local/regional/national/international regulations.

## WARNING:

This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

**NON-ACID LIME AND SCALE REMOVER** represents a new concept in formulated chemical cleaners. An inhibited blend of powerful cleaning agents is transformed into an effective but easy to handle cleaner.

**NON-ACID LIME AND SCALE REMOVER** may be used for dissolving scale, mineral, or lime deposits that form on metal, machinery or parts- also for cleaning radiators and cooling systems. Simply apply **NON-ACID LIME AND SCALE REMOVER**, allow to remain for a short period, and rinse with water. For more stubborn cases completely immerse part in **NON-ACID LIME AND SCALE REMOVER** and allow to soak overnight. Prolonged contact will not harm metal surface. For aluminum - Apply with mop, brush or sponge. Rinse thoroughly within 3 minutes after application. Test a small area before using on anodized aluminum.

**NON-ACID LIME AND SCALE REMOVER** is excellent for descaling condensers, heat exchangers, and water meters. It may also be used to clean and remove scale from an entire cooling tower system.

## NFPA® RATINGS

Health: 1; Flammability: 0; Reactivity: 0
