AWAY II CITRONELLA GEL

APPLICATIONS:

Away II is a great way to enhance the ambiance of your outdoor occasions. All natural citronella creates a perimeter in which one can enjoy some relaxing family time or a quiet dinner on the deck or patio. The subtle aroma keeps your nights peaceful and fun. Once the liquid has been sprayed onto a surface it will cling like a gel. The length of time between applications will depend on the surface the product is applied to, the temperature, humidity, and air movement at the time of application.

The mist from the trigger sprayer will contact the surface and immediately turn into a gel. This allows for precise application with no run down or mess.

This product should be applied under picnic tables, chairs, benches, on walls, around door frames, window frames, tent flags, table legs, window screens, garbage cans, dumpsters, portable toilets and other areas where insect repelling is desired.

SHAKE WELL BEFORE USING.

WARNING - COMBUSTIBLE

May irritate eyes. Avoid contact with eyes. Harmful if swallowed.

FIRST AID:

IF IN EYES: Flush with plenty of cool water for at least 15 minutes. If irritation persists, obtain medical assistance.

IF SWALLOWED: Give person several glasses of water and induce vomiting. Obtain medical assistance.

IF ON SKIN: Wash thoroughly with soap and water.
