DANGER:
Flammable liquid and vapor. May be fatal if swallowed and enters airways.

PREVENTION:
Keep away from heat, open flames, sparks. - No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof lighting, electrical equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Wear eye protection, protective clothing, protective gloves.

RESPONSE:
IF SWALLOWED: Immediately call a POISON CENTER, a doctor. Do NOT induce vomiting.
IF ON SKIN (OR HAIR): Take off immediately all contaminated clothing. Rinse skin with water/shower.
In case of fire: Use carbon dioxide (CO2), dry extinguishing powder, foam to extinguish.

Store in a well-ventilated place. Keep cool. Store locked up.

Dispose of contents/container to comply with local/regional/national/international regulations.

RUBBER & TIRE DRESSING is a specially formulated protectant and sealer for rubber surfaces, including blackwall and whitewall tires. Rubber surfaces will shine after one application, while its unique blend of polymers protects tires from the adverse effects of weather and ultraviolet radiation.

DIRECTIONS:
RUBBER & TIRE DRESSING is ready to use with no measuring or unpleasant mixing. Simply spray onto the surfaces to be protected. No wiping is necessary.

NFPA® RATINGS:
Health: 2; Flammability: 2; Reactivity: 0

INGREDIENTS/CAS #:
Distillates (Petroleum), Hydrotreated Light (64742-47-8); Polydimethylsilicone (63148-62-9); Toluene (108-88-3); Dye (Mixture); Cumene (98-82-8).

For industrial and commercial use only.
