ALL WEATHER PATCH is the fast, easy and economical way to make instant, traffic-ready road repairs. It keeps roads in a safe condition all year long.

ALL WEATHER PATCH may be used in any weather, and in temperatures as low as 15°F. No involved surface preparation or primer is necessary. Excellent for repairing asphalt, black top and stone.

ALL WEATHER PATCH can be stored indefinitely. It will not harden until it is tamped, even if the container is not tightly closed.

DIRECTIONS

Brush dust and dirt away and fill the crack or hole with **ALL WEATHER PATCH** and tamp down.
