Odor Neutralizer

FLORAL DEODORANT

WARNING:

Flammable liquid and vapor. Suspected of causing cancer.

PREVENTION:

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Keep away from heat, open flames, sparks. - No smoking. Keep container tightly closed. Ground/bond container and receiving equipment. Use explosion-proof electrical, lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Wear eye protection, protective clothing, protective gloves.

IF ON SKIN (OR HAIR): Take off immediately all contaminated clothing. Rinse skin with water/shower.

If exposed or concerned: Get medical advice/attention.

In case of fire: Use carbon dioxide (CO2), dry extinguishing powder, foam to extinguish.

Store in a well-ventilated place. Keep cool. Store locked up.

WARNING: This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

Long lasting odor control for cigar, cigarette, and all smoke odors. Also for stale, musty, offensive pet and locker room odors, food and cooking smells, garbage and refuse odors. It is especially effective on odors caused by fires.

DIRECTIONS:

Spray as a fine mist using the trigger sprayer provided. Several squirts into the center of the room will give complete odor control. Use in rest rooms, locker rooms, nursing homes, hotels and motels, elevators, kitchens, conference and meeting rooms.

Spray a light mist on surfaces of garbage cans, cigarette urns, air conditioning filters and ventilation ducts, drapes, and upholstery, disposals and trash compactors, toilets, urinals, bed pans, laundry hampers and chutes. Pour or spray directly into shower, tub and floor drains.

Pour one or two ounces of **ODOR NEUTRALIZER** in upholstery, floor and carpet cleaning solutions to leave a fresh scent on clean surfaces. Test fabrics in an inconspicuous area before using.

NFPA® RATINGS:

Health: 1; Flammability: 2; Reactivity: 0

INGREDIENTS/CAS #:
