

When you need a waterless tool and surface cleaner that is safe on skin and hands, yet strong enough to wash away tough clinging soils, get the tough, gritty towels from Share...**CITRA TOWELS** waterless all-purpose wipes. These handy towels are manufactured with a synthetic grit embedded in the surface so they have a grainy texture designed to lift and strip grease, oil, and ground-in dirt, they won't cause hands to crack or dry out. If you work in an industry where you are up to your elbows in grime, get the tough and gritty towels that won't irritate your skin but will stand up to difficult grease deposits - **CITRA TOWELS** from Share!

Cleans: Dirt, tar, grease, wax, lubricants, paint, ink, caulk, oil, adhesives and more!

Safe for use on: Hands, tools, vehicles, counters, equipment, plastics, metals, vinyl, painted surfaces.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash. Do not flush wipes.

*For industrial and commercial use only.
For additional information,
see Safety Data Sheet.*
