DIRECTIONS: Open cellophane package at one end - but do not remove the wrapper. Place FREE TABS strip (6 tabs per strip) sponge-side down in the drain pan as far away from the drain hole as possible. Drain pan should be cleaned before FREE TABS are used. If there is more than one drain pan, the one nearest the source of the condensed water should be used.

Usage: Drain pans up to 3 tons.

Days Active: 120 days.
