WARNING: This product can expose you to ethylene oxide, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

GREASE BREAKER

Greasy films and baked-on foods on food preparation and food cooking surfaces are no match for **GREASE BREAKER**. This potent blend of alkaline cleaners lifts the most stubborn greasy stains, carbon and burnt food quickly and effortlessly. Most important, **GREASE BREAKER** rinses completely, leaving surfaces sparkling clean without the dulling residues common to other cleaners.

DIRECTIONS:

GREASE BREAKER may be applied directly from the container or diluted with water depending upon specific cleaning needs. Thick deposits may require repeated applications to accomplish complete cleaning.

Do not use on painted aluminum surfaces.

NFPA® RATINGS:

Health: 2; Flammability: 0; Reactivity: 0
