PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wear long-sleeved shirt, long pants, shoes, socks, and chemical-resistant gloves.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to aquatic organisms, including fish and aquatic invertebrates. Do not apply directly to water. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas. Do not contaminate water when disposing of aerosol unit. See Directions for Use for additional precautions and requirements.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the area.

USER SAFETY RECOMMENDATIONS

Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing/PPE immediately if pesticide gets inside, then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible wash thoroughly and change into clean clothing.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not apply this product around electrical equipment due to possibility of shock hazard.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
SHAKE WELL BEFORE USE.

General Precautions & Restrictions:

Avoid contamination of food and feedstuffs. Do not use in food areas of food handling establishments, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where food is served, such as dining rooms, but excluding areas where foods may be prepared or held. Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.

Remove pets and birds and cover fish aquariums and ornamental fish ponds before spraying and turn aquarium systems off.

Do not allow adults, children or pets to enter the treated area until sprays have dried.

Do not apply this product in a way that will contact adults, children, or pets either directly or through drift.

All outdoor applications must be limited to spot or crack-and-crevice treatments only, except for the following permitted uses:

- (I) Treatment to soil or vegetation around structures; and,
- (2) Applications to building foundations, up to a maximum height of 3 feet.

Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as window, doors, and eaves) are limited to spot and crack-and-crevice, applications only.

Do not water the treated area to the point of runoff.

Do not make applications during rain.

Use Precautions:

1. Avoid spraying desirable plants. Rinse with water any desirable foliage that is contacted with spray.
2. This product may stain or adversely effect vinyl, painted, and plastic surfaces. Avoid application to asphalt roofing shingles as staining may occur. Before using in areas where spray may contact these surfaces, test in an inconspicuous area and recheck in a few hours.

OUTDOOR USES: Under eaves, near window frames, doorways, carpets, picnic areas, and outdoor play areas.

INDOOR USES: Attics, and anywhere nests are built and where food or feed are not exposed. Kills insects and eliminates the nests where they live and breed. Insects will fall to the ground and die after spraying. Kills any insects inside the nest as well as any returning.

To Kill Wasps, Yellowjackets, Mud Daubers, Hornets, and other listed insects:

To treat nests:

1. Spray at sunrise or sunset when insects are least active.
2. Stand a safe distance from the nest. Do not stand directly underneath.
3. Shake well before each use. Hold can upright and spray away from person. Push button to spray.
4. Aim actually at the opening in the nest and spray until soaked.
5. Then spray the rest of the nest until it is saturated.
6. Wait at least 24 hours before removing the nest.

TO KILL AND PREVENT Wasps, Hornets, Yellowjackets, Fire Ants, Spiders (Including Black Widow Spiders), Scorpions, Crickets, Ants, Fleas, Ticks, Centipedes, Earwigs, Flies, and Mosquitoes FROM ENTERING THE HOME OR LIVING AREA:

1. Spray 1-2 seconds until surface is moist to kill insects under eaves, around screens, windows, doors, patios, cracks, holes and crevices or wherever insects are noticed.
2. Spray 1-2 seconds until surface is moist around areas where insects enter such as outdoor plumbing, faucets, etc. and cracks or crevices in foundations as well as along sills and ledges.

To kill listed pests, including Fire Ants, Spiders (including Black Widow Spiders), Crickets, Ants, Fleas, Ticks, Centipedes, Earwigs, Flies, and Mosquitoes: Spray short 1-2 second bursts directly on insects.

To kill scorpions, stand 3-4 feet away and thoroughly cover the scorpion. Make sure scorpions are dead before removing.

Use Tips:

1. If windy, stand with the wind at your back to avoid spray drift.
2. Avoid spraying vegetation directly.
3. Rinse with water any desirable foliage that is contacted with spray.

Notice: Buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in a cool, dry area. Always store pesticides in the original container. Store away from food and pet food.

Pesticide Disposal and Container Handling:

Do not Puncture or Incinerate! Nonrefillable container. Do not reuse or refill this container.

If empty: Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions.
