CAUTION: COMBUSTIBLE

Harmful or fatal if swallowed. Eye and skin irritant.

Keep away from heat, spark or open flame.

See back panel for further precautions and first aid instructions.

KEEP OUT OF REACH OF CHILDREN

A unique combination of essential oils and natural extracts give SCENTILLA CHERRY ORCHARD maximum strength odor suppression. A quick spray kills odors continuously, and keeps the whole room fresh and pleasant smelling for hours. Use the slow release scent cups to control odors for days at a time.

DIRECTIONS

Attach the trigger sprayer and adjust to a fine mist. Spray into the center and corners of room. Avoid spraying directly onto plastic surfaces. For extended odor control, moisten the granules in scent cup with 6 to 12 pumps of sprayer (or pour directly from can) and place in the room where air currents will carry scent.

CAUTION: COMBUSTIBLE

Harmful or fatal if swallowed. Eye and skin irritant. Keep away from heat, spark or open flame. Do not take internally. Avoid contact with eyes or prolonged contact with skin.

IF IN EYES: Flush eyes and under eyelids with plenty of cool water for at least 15 minutes. If irritation persists, obtain medical attention.

IF ON SKIN: Wash with soap and water. If irritation persists, obtain medical attention. Remove contaminated clothing and launder separately before use.

IF SWALLOWED: Contact physician or poison control center immediately. Do not induce vomiting. Keep at rest.

IF INHALED: Remove person to fresh air. Administer artificial respiration, if breathing has stopped.
