STORAGE: Store in a well-ventilated place. Keep cool.

DISPOSAL: Dispose of contents/container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.

JELL SMELLS is the newest technological advancement in odor control for problem areas. Unlike ordinary aerosols or liquid deodorants that are sprayed and quickly disappear, the complex formula of **JELL SMELL** provides long-lasting odor control by a very slow evaporation process. There are no cabinets, batteries, or equipment required - just spray **JELL SMELL** onto the surface where problem odors occur and let **JELL SMELL** do all the work. The adhesive properties of this spray allow the product to be applied to either vertical or horizontal porous or non-porous surfaces. the slow releasing formula will provide continuous deodorization, eventually evaporating, leaving no noticeable residue. Use as often as necessary for long-lasting odor neutralization.

Garbage chutes, pet areas, cooking areas, bathrooms, locker rooms, drains, trash containers, dumpsters, urinals, rest areas and portable toilets.

DIRECTIONS: **JELL SMELL** is ready-to-use. Simply spray directly onto the surface that needs to be deodorized. **JELL SMELL** immediately goes to work leaving surfaces and areas smelling fresh with a great, pleasant fragrance!

NFPA® Ratings: Health: 0; Flammability: 2; Reactivity: 0
